CANVAS x

CANVAS is a restaurant hybrid, luncheon by day, event space by evening. The vision of this iconic location is to showcase The Art of Australian hospitality, providing seasonal, resident culinary masters an opportunity to showcase their talent, opening with Josh Raine in 2024.

Josh's techniques have been influenced by both classical French training and his exploration of Australian ingredients and native fruits.

"For the menu, I've created dishes that embody my philosophy of bold flavors and refined techniques, crafted from years of experience in some of the world's most prestigious kitchens. My goal is to make Canvas a place where everyone can come to enjoy and experience this fusion of art and food."
